Dear Sir:

It is requested that the above-referenced patent application scheduled to issue as U.S. Patent No. 8,208,613 on June 26, 2012, include the correct name of the Assignee upon issuance. On May 8, 2012, an issue fee was filed listing the Assignee as "AT&T Intellectual Property I, L.P." However, the issued patent should list the Assignee as "AT&T Intellectual Property II, L.P."

Assignments were filed on June 20, 2012, updating the Chain of Title of the above-referenced patent application to indicate that AT&T Intellectual Property II, L.P. is the Assignee. Since the above-referenced application is scheduled to issue on June 26, 2012, the Assignments were submitted for recordation as set forth in 37 CFR 3.11 before the issuance of the patent. As illustrated on the Notice of Recordation at Reel/Frame 028407/0821 recorded June 20, 2012, the Assignee for the above-referenced application is AT&T Intellectual Property II, L.P.

Submitted along with this request for issuance of the above-referenced application in the name of the correct Assignee and the statement that the Assignments were submitted for recordation before the issuance of the patent are the processing fee \$130 set forth under 37 CFR

1.17(i) and a request for a Certificate of Correction under 37 CFR 1.323 accompanied by the fee set forth in 37 CFR 1.20(a).

Respectfully submitted,

HOPE BALDAUFF HARTMAN, LLC
